Dear Partner,

February marks a pivotal milestone for Christians United for Israel- **OUR 10TH ANNIVERSARY.** In 10 short years we became the largest pro-Israel grassroots organization in the United States with over 2.7 million members, turned millions of Christians into an effective pro-Israel political force, developed biblically and politically-minded Christian student leaders and equipped them to become effective Israel advocates through CUFI on Campus, and we have only just begun!

WHILE WE HAVE ENJOYED REFLECTING ON OUR PROGRESS, WE ARE SOLELY FOCUSED ON THE NEXT 10 YEARS AND BEYOND...

College campuses are a critical battleground for future support for Israel. CUFI on Campus equips student-led chapters with the resources to provide quality and educational programming on campus. These initiatives play a significant role in helping to change the perception of Israel that students have by introducing a new narrative of support for the Jewish state.

One of these initiatives is our annual Student Advocacy Leadership Training (SALT) Seminar that was held in San Antonio last month. This year's SALT training focused on equipping our students to combat the increasing efforts to delegitimize Israel on America's college campuses. Over the course of three days, we provided these Christian student leaders with the skills, resources, relationships, and biblical teachings they need in order to speak up on behalf of Israel and the Jewish people at this crucial time

Our churches have sadly become another new battleground for future support for Israel. That is why it is imperative that pastors are deeply connected to Israel, and equipped to teach their congregants the truth about the Jewish state. One of the most effective ways to accomplish this is by bringing pastors to Israel on a CUFI Pastors' Leadership Tour - an intensive week-long educational tool for key CUFI pastors. On the inaugural Pastors' Leadership Tour, the pastors met with Prime Minister Benjamin Netanyahu in his Cabinet room. The fact that the Prime Minister made time to receive the CUFI delegation conveys how important the Israeli government considers CUFI's work.

#CUFIDecadeStrong

In late January, Pastor Victor Styrsky led our East Coast CUFI Pastors' Leadership Tour. In addition to visiting the traditional biblical and historical sites, these pastors had special high-level briefings from government officials, the IDF, and Middle East experts. These pastors are now ready to teach and preach to their congregations from first hand experience and knowledge. This trip will impact their entire congregation and community one hundred fold. We have four more Pastors' Leadership Tours headed to Israel over the next six weeks.

We are also focused on the ultimate battleground- the 2016 election. This month CUFI rolled out a national voter registration effort aimed at ensuring and encouraging each-and-every one of our members exercise their right to vote and encourage their friends and family to do the same. This nonpartisan initiative will give pastors and other church leaders across the country the tools to host voter registration events at their churches. These tools include a document explaining how to "hold a voter registration event in four easy steps," a tri-fold brochure discussing the Biblical mandate

for people of faith to participate in the political process, an outline of a nonpartisan sermon preaching the importance of Christian political participation, and an online interactive map of the U.S., enabling church leaders to print off their state's voter registration forms in just one click. Be looking for updates as we look to the all-important November election.

Friends, we have never been more excited about the days, months, and years ahead. Thank you for helping us build on the legacy of the last decade! Over the next year and in the decades to come, we will continue our fight and stand shoulder-to-shoulder with you; the backbone of the American pro-Israel community.
