

Your Donations At Work

Dear Friend,

As we look back at the last month, we are tremendously grateful for your support which enabled Christians United for Israel to accomplish exciting things in our communities and college campuses. The time, prayers, and financial support you have dedicated to standing with Israel has helped us grow to 3 million members in just 10 years. Because of you, CUFI is now in an unprecedented position of influence.

Israel needs us now more than ever. The news paints a stormy picture as we continue to hear of terror attacks in Israel and threats from Israel's enemies along nearly every border. Hamas and Hezbollah grow bolder every day, and there are reports that Hamas is supplying ISIS in the Sinai. After last year's disastrous Iran Deal, the Iranians are still moving forward with their pursuit of nuclear weapons as world leaders enable them with economic relief and partnerships. And in just the last few weeks, Israel has faced a barrage of statements from Russia, Germany, and the United States demanding that Israel give up control of the strategically vital Golan Heights. On every front, Israel is under constant attack both politically and militarily.

There is no time to rest. We cannot be silent in the face of these threats. And we are not being silent!

In the last several weeks, CUFI held 22 events in churches and on college campuses across the nation. In Minnesota, we partnered with Ebenezer Community Church and the Liberia Ministers Association for our Africa Night to Honor Israel. Our Western Regional Director, Randy Neal, spoke at the first CUFI presentation to the Gila River Indian Community in Laveen, Arizona. Also in April, CUFI on Campus students co-sponsored a Happy Birthday Israel celebration

with the Asian Student Association at Montclair State University. All of these events highlight the growing diversity and outreach of Christians United for Israel, which celebrates a biblical love for Israel that crosses any ethnic and cultural boundaries.

As we prepare to gather with our friends from across the United States for our Washington DC Summit, it is exciting to see how the Lord is growing CUFI and using us to build new relationships that will strengthen and bless Israel.

We are especially proud of our CUFI on Campus students, who have just completed BDS Boot Camps in Orlando and Seattle. These intensive training sessions equipped our students to stand up and speak out against the hideous anti-Israel boycott, divestment, and sanctions movement on American college campuses. Not only did our students receive training on how to fight and win against the BDS movement, but they also received help in organizing campaigns to run for student government. As members of their student governments, CUFI on Campus students will be able to influence their university's agenda from within and change the conversation on campus to focus on creating a pro-Israel environment.

CUFI also held our second annual Eastern Regional Stand With Israel Forum in Atlanta on April 21st. We brought together hundreds of dedicated pro-Israel supporters and

leaders to share valuable insights into the history, challenges, and future of the pro-Israel movement. Those who attended heard the amazing story of Kasim Hafeez, who was raised to hate Israel and is now a passionate Zionist. Pastor Dumisani Washington, Erick Stakelbeck, and Pastor Victor Styrsky captivated the audience with their deep personal love for Israel and insight into the most urgent issues facing Israel today.

The forum was just a taste of what we have in store for all our members when you come to the 11th Annual Washington DC Summit on July 18th and 19th. CUFI is strong because we have people like you willing to speak up for Israel. Come to DC, and let your voice be heard in this critical hour. You will hear from some of the most dynamic leaders of the pro-Israel movement and fellowship with thousands of people who share your love for the Jewish state. But most importantly, you will use your God-given freedom and right as an American citizen to speak biblical truth to our nation's leaders and tell them that we must always stand with Israel.

As the Washington Summit approaches, there is still much we need to do to prepare. We are amazed at the doors God has opened for us, and where He is leading CUFI. We are positioned to have a greater impact on the future of the US-Israel relationship than any other organization in the world. Thank you for all you have done to support CUFI in the past. If you would like to help us meet the needs of preparing for the Summit, your gift will be a tremendous blessing. As always, we deeply appreciate your prayers for CUFI and for Israel.

Blessings to you and those you love,
