

YOUR DONATIONS AT WORK

Dear Partner,

Israel is under attack. As we write this letter, Hamas is firing rockets on Israeli men, women, and children.

Hamas has fired over 3,700 rockets into Israel since Operation Protective Edge commenced on July 8th, including 180 rockets so far today. During the course of this conflict, 64 Israeli soldiers have died defending their country.

CUFI's efforts to support Israel in this war have taken many forms. Our work has been featured in nearly 100 newspapers and websites around the world, from the Washington Post to the Times of Israel. In fact Dr. Charles Krauthammer told delegates at last month's CUFI Summit that he did "not know of an organization in the world more important to Israel than CUFI" and a leading Capitol Hill newspaper recently ran a story with the headline "Christians United for Israel jumps to the forefront of pro-Israel groups."

Immediately after our summit, we saw that the anti-Israel bias in the media was unlike anything we'd witnessed in recent memory. Israeli defensive actions were being presented by the press as morally equivalent to Hamas' terrorism. In response, CUFI ran full page adds in nearly 20

major newspapers across the country, using Hamas's own words to educate the American public about the organization's true nature.

Simultaneously we launched an online advertising campaign and **action alert aimed at reminding Secretary of State John Kerry that Israel not Hamas is America's ally.** This alert generated more than 38,500 responses.

Yet even after the Summit and the ad campaign, CUFI felt there was more work to be done. As we searched for ways to stand with Israel, God provided us a very clear answer. At Jewish houses of worship around the world, each week, portions of the Hebrew Bible are read aloud. On Saturday, August 9th, the portion that was read was Isaiah 40 1:26. As many of you
